

OUTLINE:

FAITH BASED SEX SCANDAL CAUSED BY ELIZABETH M. DARLING, TRUMP'S CHOICE TO LEAD HIS FEDERAL CHILDREN, YOUTH AND FAMILIES DEPARTMENT

1). Elizabeth Darling created and caused the Faith Based sex scandal while as a Faith and Family appointee of President George W. Bush, the cover up of which, is still active today within the Trump Administration. This ongoing cover up has destroyed the life of whistle-blower George R. Scott III. As typical for government whistle-blowers, Mr. Scott's life has been destroyed by the politicians of which the scandal would harm. He has been ruined financially. He has lost his career, he has lost all his possessions and has been homeless for most of a decade as a result of Darling's political scandal and cover up.

2). The Trump-appointed Federal Judge, Don Willett, as stated by Ms. Darling, is responsible for all her political appointments and political career. Judge Willett recruited his personal friend, Ms. Darling, for Texas Governor George W. Bush as Vice Chair of HHS of Texas in 1999. In addition to their intimate personal relationship, Willett and Darling worked closely together developing the Faith Based Initiative for Bush. Clearly, Willett is not a good judge of character bringing into question his ability to judge Federal cases from the bench, much-less from the **Supreme Court**.

3). Ms. Darling conducted multiple adulterous affairs during her 5 year appointment as Vice Chair of HHS of Texas for Governor George W. Bush, **(SEE: A.), DIVORCE TRANSCRIPT, Page 3, Para 4)**. Among other actions, Darling admitted to illegally spending public monies for hotel rooms for those affairs in a divorce deposition in 2003, **(CHANCERY NO. 182107, SEALE-SCOTT VS SCOTT, CIRCUIT COURT OF FAIRFAX COUNTY, JUDGE ROBERT WOOLDRIDGE)**.

4). In 2000, Don Willett, then White House Co-Counsel to President Bush with (now Trump appointed Supreme Court Justice) Bret Kavanaugh, secured a Bush Presidential appointment for Darling as Founding Director of the White House Office of the Faith Based Initiative. With Willett's help, Darling was promoted from that position to head the Federal Department of Children, Youth and Families under Wade Horn and Joan Ohl. That's the same position and department to which Trump has currently nominated Ms. Darling.

5). During her leadership of the CYF Department for President George W. Bush, Darling willingly posed for photographs flashing and exposing her breast in public at Ft. Washington, a historic tourist attraction in the D.C. area, (**SEE: B.**), **DARLING PHOTO**). She posed in front of dozens of families/hundreds of people including children, at the height of tourist season in July of 2002. According to Maryland law, the actions of Ms. Darling, (Federal Judge Don Willett's protege), rise to that of **FELONY SEX OFFENSE** as a result of minors being present in the area in which she willingly exposed herself multiple times.

6). Darling's divorce begins in November 2002.

7). As a result, the cover up begins when President Bush, following the advice of his White House Counsel, Willett and Kavanaugh, abruptly and quietly remove Darling from the Bush Presidential Administration and her brand new promotion as Federal leader of CYF, hiding her well away from the corrupt Bush administration and all things Faith and Family. She is hidden within the Human Resources Department of Republican Maryland Governor, Robert Ehrlich, for 5 years, the duration of her divorce case.

8). In an attempt to cover up her felony sex crime, Darling commits perjury on June 27th, 2003 in a divorce hearing concerning the location at

which the photographs were made of her flashing her breasts at Ft. Washington, **(SEE: A.), DIVORCE TRANSCRIPT, Page 19, Para 2)**. Judge Robert Wooldridge ignores Darling's perjury. Further, Judge Wooldridge, orders the destruction of all copies of Darling's deposition testimony, especially her admissions of **illegally spending public monies for adulterous affairs, having sex in public and flashing her breasts in public** among other egregious admissions as a state and federal Faith and Family appointee for Bush. The cover up now includes Judge Wooldridge.

9). At the conclusion of Darling's 5 year divorce case in 2007, and assuming the political cover-up of Darling's scandal is a success, President Bush reappoints Darling back into his administration as COO of the Corporation for National and Community Service. Not so fast.

10). In February of 2008, The Bush Presidential Administration illegally deploys **Federal Agents Jeffery Morales and Wendy Wingers** against private citizen Scott, sending them to his residence in Key West, Florida, twice in a ten day period to threaten and intimidate Scott with Federal arrest concerning an alleged exposure of Darling's Faith Based sex scandal.

11). In 2009, Texas Governor Perry appoints Darling as **President/CEO** of his Faith Based creation, **The Onestar Foundation of Texas**. Perry inherits Darling's Faith Based sex scandal as a result, just as President Trump has done by nominating Darling.

12). On March 9, 2012, due to an alleged exposure of Darling's Faith Based sex scandal which now includes Perry and Onestar, Perry and his Governors Office issue a press release stating their (illegal) involvement within the private divorce matter of his Faith Based appointee, Darling. **(SEE: C.), PERRY ADMISSION)**.

13). As a result of excluding Scott from the court proceedings, On April 12, 2012, Perry and his Texas Governors Office illegally facilitate the transfer of Darling's private divorce from the D.C. area courts in Fairfax, Virginia, to Key West, Florida, in an attempt to silence Scott. As a result, yet another ex-parte court hearing in a long line of ex-parte court hearings excluding Scott, yielded the assignment of the D.C. based government forensics internet company, **SENSEI ENTERPRISES**, to surveil and censor private citizen Scott by "*any means possible*", (**SEE: D.**), **FINAL JUDGEMENT, Page 4, article 16**).

14). In January of 2015, Scott files suit against Perry/Darling/Onestar, (**CAUSE NO.1:15-cv-011-LY**), (**SEE: E.**), **ORIGINAL COMPLAINT 2015**), within the Western District of The 5th Circuit US Federal courts, facing no less than 3 Bush appointed Judges: **Yeakel, Sparks and Austin**, who denied Scott's motion to recuse as well as his motion and constitutional right for a jury trial. This is the very same court to which Federal Judge, Don Willett, now presides as a Trump appointee. Trump has considered Willett twice as a nominee for Supreme Court Justice. Willett is mentioned in the lawsuit against Perry/Darling/Onestar. Willett is directly involved with Darling and her scandal and is obviously not a very good judge of character, bringing into severe question, his ability to judge anything from the bench. Plus his conflict of interest is far-reaching.

15). A total of **TEN (10), Bush judges, (SEE: 10 BUSH JUDGES)**, have been assigned to legal issues throughout this Bush Faith Based sex scandal caused by Bush appointee, Darling. The deck is stacked and the fix is in.

16). On January 8th, 2018, Scott was summoned to meet with 2 FBI agents at their Waco, Texas field office concerning Darling's pending Trump nomination. In a two hour interview, Scott gave the FBI a

negative report on Darling, referencing her Faith Based sex scandal and cover up as the reason, **(SEE: (G.), FBI INTERVIEW REPORT)**. The official report, along with the notes of the two FBI agents who conducted the interview, are heavily redacted. The evidence redacted by the FBI in their notes and report, is the same evidence exposed and revealed here on this website. Darling, if confirmed, will be in charge of an **18 billion dollar budget of taxpayer money** as head of ACYF for Trump. Darling's previous illegal and admitted misspending of taxpayer money for adulterous affairs, perjury, and felonious sexual behavior of exposing herself publicly in front of children, prohibits Darling from this and all government appointments as well as qualifying her for prison.

17). On Saturday, March 10th, 2018, Trump announces Darling as his nominee for Commissioner of Children, Youth and Families.

18). Tens of thousands of documents from the Bush Presidential Administration were withheld during the Kavanaugh SCOTUS hearings. Ms. Darling's Faith Based sex scandal and cover up of such is part of the reason those documents are being withheld. As evidenced in the Kavanaugh hearings, Kavanaugh worked closely and directly with White House counsel Willett. Willett, Perry and Kavanaugh are current Trump appointees, (Perry is in the process of ~~departing the administration~~), who have been/and are still involved with Ms. Darling and her Faith Based sex scandal.

19). In the fall of 2018, the website: **RamJetPencil.com**, was posted on the internet, exposing Darling's Faith Based sex scandal and cover up. Hard copies of the evidentiary documents on that site, as well as the website itself, were provided for consideration of Darling's nomination to Senator Wyden and the Senate Finance Committee and others charged with vetting presidential nominees. As a result, the Senate and Congress are well aware of Darling's scandal and cover up.

20). Darling's nomination was blocked on January 3rd, 2019 for a second time. Scott was fired from his job the very next day on January 4th, 2019.

Ms. Darling's best friend, is also best friends with the owner of the company from which Scott was fired. No reason was provided to Scott for his firing by the company. Also, Darling's friend arranged a premature going away party for Darling a year before. The facts of Darling's scandal got in the way.

21). On August 1st, 2019, a cloture session was called by Congress and the block on many Trump nominees, including Darling, was lifted (SEE: www.Congress.Gov/Nomination/116th-Congress/88). During her 8 month nomination block, Darling has been lobbying votes in the house and senate for her confirmation of her Trump nomination as Commissioner of ACYF, with her **18 billion dollar budget** that she will dole out to the senate and congressional districts when confirmed with those quid pro quo votes. This is what happens when corrupt politicians cover for you. **Ladies and gentlemen: President Trump presents to you, your new leader of the Federal Department of Children Youth and Families, Ms. Elizabeth Darling!!!**
