

**OUTLINE:**  
**FAITH BASED SEX SCANDAL  
CAUSED BY ELIZABETH M. DARLING,  
TRUMP'S CHOICE TO LEAD HIS FEDERAL  
CHILDREN, YOUTH AND FAMILIES DEPARTMENT**

1). Elizabeth Darling created and caused the Faith Based sex scandal while as a Faith and Family appointee of President George W. Bush, the cover up of which, is still active today within the Trump Administration. This ongoing cover up has destroyed the life of whistle-blower George R. Scott III. As typical for government whistle-blowers, Mr. Scott's life has been destroyed by the politicians of which the scandal would harm. He has been ruined financially. He has lost his career, he has lost all his possessions and has been homeless for most of a decade as a result of Darling's political scandal and cover up.

2). The Trump-appointed Federal Judge, Don Willett, as stated by Ms. Darling, is responsible for all her political appointments and political career. Judge Willett recruited his personal friend, Ms. Darling, for Texas Governor George W. Bush as Vice Chair of HHS of Texas in 1999. In addition to their intimate personal relationship, Willett and Darling worked closely together developing the Faith Based Initiative for Bush. Clearly, Willett is not a good judge of character bringing into question his ability to judge Federal cases from the bench, much-less from the **Supreme Court**.

3). Ms. Darling conducted multiple adulterous affairs during her 5 year appointment as Vice Chair of HHS of Texas for Governor George W. Bush, **(SEE: A.), DIVORCE TRANSCRIPT, Page 3, Para 4)**. Among other actions, Darling admitted to illegally spending public monies for hotel rooms for those affairs in a divorce deposition in 2003, **(CHANCERY NO. 182107, SEALE-SCOTT VS SCOTT, CIRCUIT COURT OF FAIRFAX COUNTY, JUDGE ROBERT WOOLDRIDGE)**.

4). In 2000, Don Willett, then White House Co-Counsel to President Bush with (now Trump appointed Supreme Court Justice) Bret Kavanaugh, secured a Bush Presidential appointment for Darling as Founding Director of the White House Office of the Faith Based Initiative. With Willett's help, Darling was promoted from that position to head the Federal Department of Children, Youth and Families under Wade Horn and Joan Ohl. That's the same position and department to which Trump has currently nominated Ms. Darling.

5). During her leadership of the CYF Department for President George W. Bush, Darling willingly posed for photographs flashing and exposing her breast in public at Ft. Washington, a historic tourist attraction in the D.C. area, ( **SEE: B.**), **DARLING PHOTO**). She posed in front of dozens of families/hundreds of people including children, at the height of tourist season in July of 2002. According to Maryland law, the actions of Ms. Darling, (Federal Judge Don Willett's protege), rise to that of **FELONY SEX OFFENSE** as a result of minors being present in the area in which she willingly exposed herself multiple times.

6). Darling's divorce begins in November 2002.

7). As a result, the cover up begins when President Bush, following the advice of his White House Counsel, Willett and Kavanaugh, abruptly and quietly remove Darling from the Bush Presidential Administration and her brand new promotion as Federal leader of CYF, hiding her well away from the corrupt Bush administration and all things Faith and Family. She is hidden within the Human Resources Department of Republican Maryland Governor, Robert Ehrlich, for 5 years, the duration of her divorce case.

8). In an attempt to cover up her felony sex crime, Darling commits perjury on June 27th, 2003 in a divorce hearing concerning the location

at which the photographs were made of her flashing her breasts at Ft. Washington, (**SEE: A.**), **DIVORCE TRANSCRIPT, Page 19, Para 2**). Judge Robert Wooldridge ignores Darling's perjury. Further, Judge Wooldridge, orders the destruction of all copies of Darling's deposition testimony, especially her admissions of **illegally spending public monies for adulterous affairs, having sex in public and flashing her breasts in public** among other egregious admissions as a state and federal Faith and Family appointee for Bush. The cover up now includes Judge Wooldridge.

9). At the conclusion of Darling's 5 year divorce case in 2007, and assuming the political cover-up of Darling's scandal is a success, President Bush reappoints Darling back into his administration as COO of the Corporation for National and Community Service. Not so fast.

10). In February of 2008, The Bush Presidential Administration illegally deploys **Federal Agents Jeffery Morales and Wendy Wingers** against private citizen Scott, sending them to his residence in Key West, Florida, twice in a ten day period to threaten and intimidate Scott with Federal arrest concerning an alleged exposure of Darling's Faith Based sex scandal.

11). In 2009, Texas Governor Perry appoints Darling as **President/CEO** of his Faith Based creation, **The Onestar Foundation of Texas**. Perry inherits Darling's Faith Based sex scandal as a result, just as President Trump has done by nominating Darling.

12). On March 9, 2012, due to an alleged exposure of Darling's Faith Based sex scandal which now includes Perry and Onestar, Perry and his Governors Office issue a press release stating their (illegal) involvement within the concluded private divorce matter of his Faith Based appointee, Darling. (**SEE: C.**), **PERRY ADMISSION**).

**13).** As a result, Plaintiff Scott was once again intentionally excluded from the process and proceedings including the hearing by the illegal use of political power and connection on behalf of Ms. Darling.

In lock step, the courts and legal system were illegally manipulated to facilitate the continued cover up of Darling's Faith and Family Sex scandal and those involved within it.

On April 12, 2012, Perry and his Texas Governors Office illegally facilitate the transfer of Darling's concluded private divorce case from the D.C. area courts in Fairfax, Virginia, to Key West, Florida. This procedure, (Domestication), is a complex legal process that requires both parties to be involved. But, as usual, Mr. Scott was intentionally excluded from any knowledge of the procedures and all process, including the hearing. As a result, yet another uncontested ex-parte Final Judgement against Mr. Scott was issued, which now included the assignment of the D.C. based government forensics internet company, **SENSEI ENTERPRISES**, to surveil and censor private citizen Scott by "*any means possible*", (SEE: D.), **FINAL JUDGEMENT, Page 4, article 16).**

In the course of their criminal activities against Scott, Ms. Darling, contacted Scott's lifelong best friend, Bradley J. Bush of Waco, Texas, (**no relation to the political Bush family**), and criminally requested that he lie on court record on her behalf, within the above court hearing against Mr. Scott.

To his credit, Mr. Bush refused to do so. However, he was already personally involved with Ms. Darling and her scandal, admitting to gathering information on Mr. Scott and passing it along to Ms. Darling as a means for her to stalk Scott.

Also on behalf of Ms. Darling, Mr. Bush continued to poisoned the well

with lies and false narratives about his friend, Mr. Scott, within their circle of mutual friends and beyond in Waco, Texas.

Additionally, and in favor of Ms. Darling, Mr. Bush illegally withheld from the authorities and from Mr. Scott, this damning first-hand evidence of the felony crime committed by Ms. Darling concerning her request for Bush to lie on her behalf against Mr. Scott. This premeditated silence by Mr. Bush against his life-long friend, Mr. Scott, prevented Scott from attending the hearing, allowing the continuation of the cover up of Ms. Darling's scandal and the continued great harm caused to Mr. Scott on Darling's behalf as a result.

**14).** In January of 2015, Scott files suit against Perry/Darling/Onestar, **(CAUSE NO.1:15-cv-011-LY), (SEE: E.), ORIGINAL COMPLAINT 2015)**, within the Western District of The 5th Circuit US Federal courts, facing no less than 3 Bush appointed Judges: **Yeakel, Sparks and Austin**, who denied Scott's motion to recuse as well as his motion and constitutional right for a jury trial. This is the very same court to which Federal Judge, Don Willett, now presides as a Trump appointee. Trump has considered Willett twice as a nominee for Supreme Court Justice. Willett is mentioned in the lawsuit against Perry/Darling/Onestar. Willett is directly involved with Darling and her scandal and is obviously not a very good judge of character, bringing into severe question, his ability to judge anything from the bench. Plus his conflict of interest is far-reaching.

**15).** A total of **TEN (10)**, Bush appointed judges, **(SEE: 10 BUSH JUDGES)**, have been assigned to legal issues throughout this Bush Faith Based sex scandal caused by Bush appointee, Darling. The deck is stacked and the fix is in to protect the highest level of politicians directly involved within it, such as Trump Appointees: Judges Willett and Kavanaugh, Trump Energy Czar/Texas Governor Perry, and of course, GWBush. Ms.

Darling's reckless lifestyle and sex scandal caused exposure for them, jeopardizing their careers, reputations and futures. Just look where they are now. This is the engine that currently continues within the Trump administration, to drives the cover up and actions against Mr. Scott.

Further, Scott filed a complaint with the Fifth Circuit Court of Appeals against the stacking of the 3 Bush judges (Judges: Yeakel, Sparks and Austin), within his lawsuit against Perry and Darling in the Fifth Circuit court. Scott included, among other violations, a complaint concerning a blatant ex-parte meeting between Judge Austin and Perry's lead counsel, Mariel Puryear. This highly illegal and very damning ex-parte meeting which jeopardized the outcome of the hearing, was ignored by the Fifth Circuit Court of Appeals.

In addition, Mr. Scott's full complaint was denied by fellow Bush appointee, **Prisilla Owen, Chief United States Circuit Judge of the United States Court of Appeals for the Fifth Circuit**, making her **THE 4TH BUSH APPOINTED JUDGE DIRECTLY INVOLVED AGAINST Mr. Scott** within this one case.

Moreover, and certainly more damning, Judge Owen, **THE Chief United States Circuit Judge of the United States Court of Appeals for the Fifth Circuit**, is **PERSONAL FRIENDS WITH MS. DARLING**, as well as being a fellow Bush appointee. As a result, **Justice Owen has an undeniable and MAJOR conflict of interest on behalf of her friend, Ms. Darling**. The fix is in all the way.

Additionally, Judge Owen is also a member of a politically active, wealthy, and very influential family in Waco, Texas where Mr. Scott now resides. Waco is a small town run by a small group of these powerful people, all directly connected to the highest level of politics and, in this

issue, to many of the powerful politicians exposed and involved by Ms. Darling in her sex scandal.

**TRUMP APPOINTEE, Federal Judge Don Willett**, twice considered for the Supreme Court by Trump, is deeply and intimately involved with Ms. Darling, and is currently a Federal Judge in the **FIFTH CIRCUIT** and presides over the same court in which Scott's lawsuit against Ms. Darling and Perry was held. That lawsuit mentioned Judge Willett and his involvement with Ms. Darling, although he was not named at that time as a defendant. Clearly the courts are corrupted against Mr. Scott as a result of the exposure of Ms. Darling's Faith Based sex scandal, and are deeply involved with the cover up of Ms. Darling's sex scandal.

**16).** On January 8th, 2018, Scott was summoned to meet with 2 FBI agents at their Waco, Texas field office concerning Darling's pending Trump nomination. In a two hour interview, Scott gave the FBI a negative report on Darling, referencing her Faith Based sex scandal and cover up as the reason, **(SEE: (G.), FBI INTERVIEW REPORT)**. The official report, along with the notes of the two FBI agents who conducted the interview, are heavily redacted. The evidence redacted by the FBI in their notes and report, is the same evidence exposed and revealed here on this website. Darling, who admitted misspending public monies for adulterous affairs and feloniously exposed herself in public, is in charge of an **18 billion dollar budget of taxpayer money** as head of ACYF for Trump.

**17).** On Saturday, March 10th, 2018, Trump announces Darling as his nominee for Commissioner of Children, Youth and Families.

**18).** Tens of thousands of documents from the Bush Presidential Administration were withheld during the Kavanaugh SCOTUS hearings. Ms. Darling's Faith Based sex scandal and cover up of such is contained

in those withheld documents. As evidenced in the Kavanaugh hearings, Kavanaugh worked closely and directly with White House counsel Willett. Willett, Perry and Kavanaugh are Trump appointees, (Perry has departed the administration), who have been, and are still involved with Ms. Darling and her Faith Based sex scandal.

19). In late 2018, the website: [RamJetPencil.com](http://RamJetPencil.com), was posted on the internet, exposing Darling's Faith Based sex scandal and cover up.

20). Darling's nomination was blocked for a second time on January 3rd, 2019. On January 4th, 2019, less than 24 hours later, Scott was suddenly fired without reason, from his low pay, warehouse job of 2 1/2 years. Ms. Darling has direct ties to the company from which Scott was fired.

21). On August 1st, 2019, a cloture session was called by Congress and the block on many Trump nominees, including Darling, was lifted (SEE: [www.Congress.Gov/Nomination/116th-Congress/88](http://www.Congress.Gov/Nomination/116th-Congress/88)). During her 8 month nomination block, Darling lobbied votes in the house and senate with her **18-billion-taxpayer-dollar-budget**, for her confirmation of her Trump nomination. If President Trump wants to *drain the swamp*, he has no further to go than his own nominees involved in Ms. Darling's Faith Based sex scandal and the criminal cover up of such.
